JOHN M. SWANNER

Head of Instrumental Department

Union and the Fine Arts Department are indeed fortunate in having as one of their instructors Mr. John Swanner. Mr. Swanner is a very capable artist on a large number of instruments and he is also talented at leading and organizing orchestras. He, along with his tutorship at Union, is leader of the Lyric Theatre Orchestra. Mr. Swanner has done much toward the advancement of the instrumental department in Union and although his classes have been small, his untiring efforts speak for him wonderful success.

The Fine Arts Department is without doubt a credit to any institution and no exception can be made of this Department at Union. The Editors, at this point, wish to commend the instructors one and all on the good work which they have accomplished and wish for them more wonderful success in the future.

VARSITY SQUAD

The year of 1927 was Union's second year as a member of S. I. A. A. and with the Freshman team of '26 and the remainder of the '26 varsity team combined, a real "fighting" machine was built. Union enjoyed one of her banner years in football but more is expected for next year. This year was Coach Stewart's first experience as a varsity coach and much praise should be contributed to him for the record made.

Freshman Football Team

At the beginning of the year Coach Tate, who was commencing his career as a University coach, was faced with a small group of green material with which to mold a typfical Union freshman team. Very few of the men had played any football and knew nothing of the game, but with these men and a few other recruits, a fighting team was formed, for which much credit is due Coach Tate. Mitchell, the fiery little quarterback, was elected captain, and to support him on the team he had such stats as, Parker, fullback; Burks, center; Leggett, tackle; Rose, guard; H. Jones, guard; Fisher, half; Frazier, tackle; Hester; end; and Ragsdale, end.

FRESHMAN BASKET BALL SQUAD

After finishing a successful football season, the Freshmen, under the most capable coaching of their new mentor, Coach Tate, came through one of the most successful hasket ball seasons a freshman basket ball team at Union has ever experienced. THEY WERE UNDEFEATED! With such high school stars as Hudson, Parker, Frazier, Belton, Peeples, F. Cates, Massey and Welch as captain. Coach Tate is to be commended for turning out such a record breaking team.

Track Team

For the first time Union has installed track as a major sport. With very few men to work with, Coaches Stewart and Tate rounded out a well balanced team and experienced a very commendable season. With the installation of track as a major sport and a modern cinder track around the athletic field, Union expects to develop a first class track team in the future.

This year three meets were held with Union winning the one with Arkansas A. and M. by a decidedly large margin. Also an inter-mural meet was held from which the Junior class emerged the victor.

Letter men for this year are: Wright, dash; Stewart, dash and field; Wilmoth, middle distance; Largent, field; Hellen, field; Stripling, middle distance; Worrell, jumps; Carr, field; Miller, field; Willis, dash; Smith, distance; Reed, distance; Deere, distance; and Fisher, middle distance.

GIRLS' VARSITY BASKET BALL

The Union Terriers enjoyed one of the most successful seasons since the Terriers were first organized. Under the coaching of Claude Burnett, and led by their captain, Nancy Welch, they lost only two games during the season and those by very close scores. Those playing "bang-up" games for dear Ole Union were: Welch, Robertson, McLean, Clanton, Davis, Clark and Sublett.

A Pupil's Idea of What Is A Creditor

Buying on credit instead of paying cash apparently has its ludicrous side in Prague as well as in this country.

According to the "Humoristicke".

a comic weekly printed in Prague, a teacher asked a young pupil, "What is a Creditor?"

The pupil quickly drew from his observation at home and replied: "A man who must be told that my father is not at home.'

Paying cash as you go has no attending embarrassments-it assures a life of independence.

You are permitted to buy where you will and where you can get the most in quality and satisfaction for what you pay.
